Consortium**

# BIO-BASED INDUSTRY

## Benefits for the bio-based industry

Access alternative sources of finance for highly ranked bio-based projects which did not receive funding

---

Highlight the types of market sectors, feedstock use, etc. you are targeting and attract the right regions for your investment needs

---

Use the platform's search and filter functions to identify regions offering opportunities for bio-based investment & linked financial incentives

---

Make direct contact with new regional actors via the platform

---

Receive invitations to events aimed at connecting bio-based industries and regions

## Interested in participating?

Access to the platform  
is available at:  
[www.bioeconomy-regions.eu](http://www.bioeconomy-regions.eu)  
for BIC industry members

## Who are BIC's industry members?
